REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year at Cotton Belt has been one filled with lots of excitement, achievement, and challenge. Our students, staff, parents, and community members continue to work hard each and every day to provide an environment of excellence for our boys and girls. As in the past, improving student achievement continues to be a top priority. We were fortunate again this year to have met the federal requirements of NCLB Adequate Yearly Progress (AYP). This accomplishment is a tribute to the commitment and dedication of each member of the Cotton Belt family.

As always, our primary objective is to improve student achievement. We worked this year to accomplish this by focusing on four target areas: 1) data-driven instructional decisions, (2) literacy across the curriculum, (3) extra time/extra assistance, and (4) technology. We will continue to focus on these four areas during the 2010-2011 school year by using MAP data to make instructional decisions, providing a balanced literacy approach to teaching reading and writing, providing early intervention services for at-risk readers, and utilizing the promethean boards to enhance instruction.

As mentioned above, our parents and community members play an integral role in the success of our children. Our outstanding PTO, parent volunteers, community volunteers, and local businesses all work hard to help our students become successful. One idea to improve our school and student achievement came from this year's School Improvement Council. They applied for a grant to create an outdoor classroom for all of our students and teachers to use. We were thrilled to learn that the grant was approved and soon the building process will begin. The outdoor classroom will provide our students with hands-on learning opportunities across the curriculum. This is just one of many examples of how our parents are making a difference in the lives of our children.

As you review the data from this report card, please let it be a reminder that we still have much to do in order to prepare our students for their bright future. It truly does take a village to raise a child, and we look forward to the continued support of our parents and community to help our students reach their full potential. Many thanks to all of our stakeholders for this year's accomplishments and for making Cotton Belt a great place to learn.

Mark Hendry, Principal
Stephanie Ferguson, Chairperson/School Improvement Council
